

THE NEXT LEVEL IN FRONT STEER AXLE

MFS+™ FRONT STEER AXLE

The Cummins-Meritor MFS+ features the patented, market-leading technology of MFS™ Series front axles. The system saves weight while improved performance and packaging reduces service time.

PERFORMANCE ADVANTAGES

- Optimized beam design provides a stronger and lighter-weight package
- Integrated torque plate and tie rod arms reduce weight and increase payload
- Reduced assembly time and maintenance costs
- Compatible with Cummins-Meritor EX+™ air disc brakes and Q+™ drum brakes
