

# PENSKE TRUCK LEASING – MERITOR WABCO SYSTEM SAVER AIR DRYERS

Genuine Meritor WABCO new, service exchange or remanufactured System Saver Series air dryers **NOW AVAILABLE** for Penske Truck Leasing. Get the quality and performance you expect at a competitive price. From original spec equipment to keep your vehicle running at its best, to price-point service exchange and remanufactured units to match the life-cycle stage of your vehicle. Only Meritor can offer genuine Meritor WABCO air system products.

## Meritor WABCO System Saver Air Dryers.

- Premium desiccant provides greater water adsorption capability
- Replaceable spin-on cartridge allows for simple maintenance and reduced downtime with less than five minutes to replace
- 100 Watt heater available for 12V or 24V applications
- Integrated mounting surface
- Compact, lightweight design allows for easy installation
- Equipped with a pressure relief safety valve
- Optional turbo cut-off valve for boosted compressor applications (except TWIN)
- Optional coalescing spin on cartridge
- Service components are external for easy replacement

## Meritor WABCO System Saver Service Exchange Air Dryers.

Service exchange units are new air dryers that include a core charge. While the fit, form and function remain the same with a service exchange unit, they are lower in cost making them an ideal price-point option.

## Meritor WABCO System Saver Remanufactured Air Dryers.

- Remanufactured using genuine Meritor WABCO cores and production components
- Remanufactured by WABCO to their exacting standards
- End-of-line performance testing as on original product
- Same 1-year warranty as new product offering
- All remanufactured Meritor WABCO Air Dryers come with a genuine Meritor WABCO standard or coalescing air dryer cartridge
