

## MERITOR® REPLACEMENT PARTS CENTER

# Point-Of-Sale Display

**Help your parts sales soar with this attractive space saving unit.**

Meritor part number DISPLAYPC300M offers the “A” moving wheel attaching parts for the industry displayed in this attractive Replacement Parts Center. The list on the reverse side of this brochure includes the most common and highest quality wheel attaching parts available. Parts which now can be presented in this Replacement Center while providing organization and display appeal for your store location.

This heavy gauge steel Replacement Parts Center offers a capacity of eight (8) two-gallon display pails and six (6) five-gallon display pails (three on the display and three on the floor). The parts center measures 72” tall, 45” long and 24” wide (some assembly will be required). The display pails can be used for wheel attaching hardware or various other products offered through Meritor, if desired.
