

MERITOR® GENUINE LIGHT WEIGHT TRAILER HUBS FOR THE AFTERMARKET

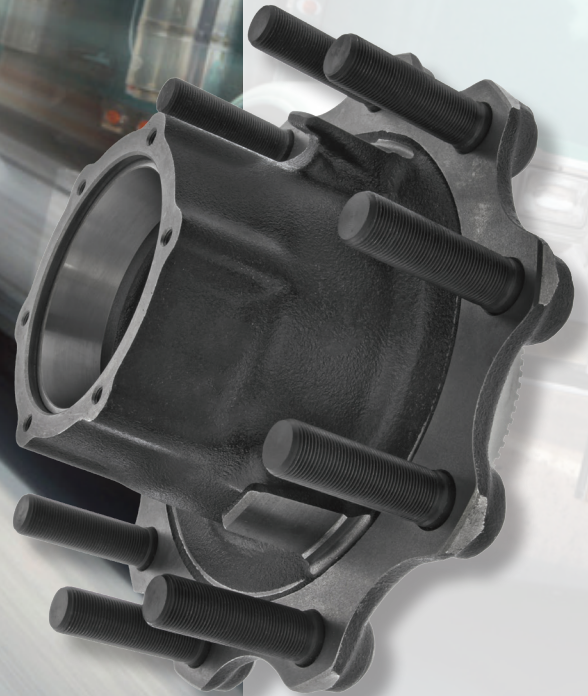

PROVEN PERFORMANCE

The distinguished line of Meritor Genuine light weight TP/TN trailer hubs is a leading aftermarket choice for quality and reliability backed by our industry-leading customer service and a one-year warranty. Meritor Genuine light weight trailer hubs provide reliability and proven performance for both steel and aluminum disc wheels. As an industry leader in heavy-duty aftermarket solutions, Meritor provides OE quality lightweight trailer hubs engineered and manufactured to exacting specifications.

MERITOR TP/TN HUB ADVANTAGES

- Genuine OE replacement product for original performance
- Application coverage for most popular trailer hub part numbers
- Use with industry-standard roller bearing, wheel seals, hub caps and spindled nuts
- Backed by Meritor's standard one-year warranty and complete Customer Care support
- Meritor Genuine light weight hubs in combination with Meritor seals and Temper-Loc® nut offer an extended 3-year/300,000-mile warranty
