

# MERITOR® BEARING AND SEAL KITS

## DEPENDABLE AFFORDABILITY

Built for reliability, Meritor® bearing and seal kits are the ideal solution for all makes and models. The kits feature Meritor bearings – high-quality aftermarket parts engineered to exacting specifications – and the same Meritor Genuine® seals used on new OEM equipment.

## Full Application and All Makes Coverage

Meritor bearing and seal kits are a proven, cost-effective solution and cover a wide variety of applications to meet your customers' requirements. Expansive drive axle application coverage is suitable for original, second and third owners. The portfolio includes an extensive product range with “drop-in” replacements for full interchangeability with other manufacturer's bearings. OE coverage includes:

- Meritor
- Dana®
- Eaton®
- International®

## Exceptional Customer Care

Our highly trained Customer Care team is equipped with the product specification, warranty and service information you need. For exceptional service and support, call our U.S. Customer Care Center at (888) 725-9355. In Canada, call (800) 387-3889.

## Quality You Can Trust

All Meritor bearing and seal parts start out with high-grade steel and are designed and manufactured with one objective: to ensure maximum performance. In-process manufacturing controls focus on micro-crack and inner/outer ring micro-burn detection to maintain an outstanding product throughout. Extensive quality measures are taken during the manufacturing and assembly process which result in a product that delivers outstanding performance while supporting vehicle longevity.

Key features of the Meritor bearing and seal kits include:

- Only high grade raw materials
  - Less impurities for greater performance
- Meritor Genuine seals for high reliability and original performance
- Meritor bearings:
  - Through-hardening process for elevated tensile strength
  - Optimized profiles with tailored crowning for equal load distribution
  - Precise internal geometry for tighter accuracy and performance
- Quality packaging for optimal anti-corrosion protection
- Standard 2-year aftermarket warranty

## Meritor Bearing and Seal Kit Coverage
