

MERITOR® AFTERMARKET WHEEL-END SERVICE KITS WITH EXTENDED WARRANTY

PERFORMANCE ADVANTAGES

- Proven performance, technology and value from a global axle leader.
- High-performance components in a reliable wheel-end service kit for dependable uptime.
- The 3-year warranty kit contains a Temper-Loc® spindle nut, Meritor® premium seal and hubcap. The 5-year warranty kit contains Temper-Loc spindle nut, Meritor premium seal, hubcap and Meritor Genuine bearings.

Proven Leadership.

Meritor is a world leading manufacturer of trailer axles and a leading supplier of aftermarket solutions. Meritor has a proven heritage of designing, engineering, and manufacturing trailer components. Since 1930, Meritor has manufactured over 10 million trailer axles.

Extend the End.

Meritor® aftermarket wheel-end service kits offer extended warranty with the same high-performance components used in Meritor production trailer axles. The aftermarket offering is available with three- and five-year warranty kits.

MERITOR® AFTERMARKET WHEEL-END SERVICE KITS

WARRANTY PACKAGES

5-YEAR: Seal, Hubcap, Spindle Nut, Bearings

3-YEAR: Seal, Hubcap, Spindle Nut

Seal

- No unique tools/drivers needed for installation
- Multi-zone labyrinth design and low-friction barrier to deliver exceptional durability and protection against contamination
- Hydrogenated nitrile butadiene rubber (HNBR) provide additional advantages of higher temperatures and greater wear resistance than Nitrile rubber (NBR, Buna-N, Nitrile).

Hub Cap

- Available in standard and Meritor Tire Inflation System (MTIS) compatible designs
- MTIS helps keep trailer tires properly inflated to reduce wear and increase fuel economy

Temper-Loc® Spindle Nut

- Two-piece design with retainer ring to secure the spindle nut and maintain bearing setting
- Install per TMC RP618B or see Meritor TP-1914
- Optional installation using Doctor Preload tool

Bearing

- Meritor Genuine OE bearings
- Proven performance extensively tested
- Through hardened bearings

w/ MTIS	KIT8350	KIT8352	KIT8359	KIT8361

For aftermarket wheel-end kit installation, please reference TP-1914.

The extended warranty is for on-highway applications, with the warranty period from the date of installation and using Meritor's standard warranty process for claims. Documentation, or proof of installation date, is needed to file a claim only for extended warranties. Meritor reserves the right to request documentation of proper wheel bearing adjustment to process a warranty claim.

For aftermarket complete support, please call 888-725-9355 in the U.S. or 800-387-3889 in Canada. Visit MeritorPartsXpress.com for complete aftermarket product offering.
