

MERITOR® HYDRAULIC BRAKE PADS FOR THE AFTERMARKET

Meritor® aftermarket hydraulic brake pads are engineered to provide an enhanced aftermarket solution for class 5, 6 and 7 vehicle applications. As an industry leader providing original (OE) brake equipment, Meritor has a legacy of proven performance. Meritor brings expertise to an aftermarket offering of all-makes hydraulic brake pads for applications including delivery van, work truck and school bus.

Powder-coated backing plate for premium corrosion protection and brake fluid protection

Meritor® hydraulic brake pads are manufactured with Level N material to meet 2025 less than 0.5% copper by weight compliance. Select Meritor hydraulic brake friction now with no need to change friction brands later to meet Level N 2025 standard.

Meritor backing plates feature a premium mechanical retention system for enhanced bond with the friction.
