

EUCLID® ALL-MAKES AUTOMATIC SLACK ADJUSTERS

TRUST MATTERS.

Euclid clearance-sensing automatic slack adjusters (ASAs) are available to meet your service needs for vehicles across multiple OE applications.

Euclid ASAs can be utilized as direct replacements for existing competitive slacks on trucks, buses, and trailers. These Euclid ASAs are designed to meet your requirements for quality and value for the vehicles you service.

HalDEX® ASAs are accessible in ABA formats, enabling simple and reliable installations. The machined-in notch creates a clear reference point for installation alignment. These ASAs are constructed using high-grade materials to fulfill exacting durability and quality standards.

Euclid ASAs are also available to substitute for many popular Bendix®, Stemco/Crewson® and Gunite® designs, spanning a range of vehicle types. These ASAs feature components constructed from premium materials and undergo heat treatment and precision machining to ensure error-free performance. All product designs are performance-verified to exceed SAE requirements for durability cycles in various environmental conditions.

Incorporating Euclid high-quality all-makes parts into your service portfolio can be an essential component in ensuring vehicle safety and uptime. All Euclid aftermarket parts are covered by our complete 1-year warranty. For complete Euclid aftermarket parts information, visit MeritorPartsXpress.com.

HALDEX ALL-MAKES AUTOMATIC SLACK ADJUSTERS

Euclid Part Number	Industry Service Number	OE Number	Description	Clevis	Arm Length	Spline Diameter	Spline Count
E17506	40010141	40910653	HALDEX ABA style ASA for Drive applications	None	5", 6"	1.5"	28
E17502	40010143	40910733	HALDEX ABA style ASA for Drive applications	None	5.5"	1.5"	10
E17501	40010144	40910678	HALDEX ABA style ASA for Mack Drive applications	None	6"	1.5"	28
E17503	40010155	40910635	HALDEX ABA style ASA for Kenworth Drive applications	None	5.5"	1.5"	10
E17500	40010211	40910683	HALDEX ABA style ASA for Trailer applications	None	5.5"	1.5"	28
E17504	40010212	40910673	HALDEX ABA style ASA for Trailer applications	None	6"	1.5"	28
E17507	40010305	40910655	HALDEX ABA style ASA for 12.25 in. for Trailer applications	None	6"	1.5"	28
