MERITOR OFF-HIGHWAY AFTERMARKET SERVICE KITS FOR DRY DISC BRAKES

AFTERMARKET SERVICE KITS.

In both size and capability, Meritor is a worldwide braking leader for the commercial vehicle industry. For demanding off-highway applications such as construction, mining, agriculture and forestry, Meritor offers a comprehensive portfolio of OE-quality, all-makes service kits for dry disc brakes. These kits are engineered to meet your specific performance demands while delivering safety and low cost of ownership. Our dry disc brake service parts portfolio includes brake pads, pistons, seals, O-rings, dust boots and a wide range of service kits that keep contaminants out and maximize uptime.

Inventory for all of these parts is stocked at our Florence, Ky., and Brampton, Ontario, distribution centers and can be combined with your other Meritor parts orders.

WE PROVIDE GLOBAL AFTERMARKET AND FIELD SUPPORT.

With Meritor's global aftermarket leadership, you can be confident that parts and service for our off-highway products will be fully supported by the best expertise, follow-through and assistance available in the industry. Wherever you do business worldwide, our unsurpassed team of local and international expert field representatives and proven support systems will be there to produce results for you. For more information – and results you can count on – call your Meritor off-highway aftermarket representative at 888-725-9355 in the United States and 800-387-3889 in Canada, or see XpresswayPlus.com today.
